

POP UP GRAFFITI ART CLASS

Tipsy Taggin' is an instructor led graffiti painting class and is a refreshing alternative to the conventional sip and paint class.

POP UP GRAFFITI ART CLASS

- Wine and other spirits are encouraged, but not required.
- The Topsy Taggin' class uses non-toxic water based aerosol spray paint.
- Mask and gloves and all other COVID-19 social distance measures will be followed.

The duration of the class is approximately two hours. We have broken the process of making graffiti into simple steps that can be easily followed. Experience in art making not necessary.

Class Overview:

- spray paint safety, protective gear training
ABSOLUTELY NO SMOKING (10 minutes)
- Familiarity with spray paint – colors, finishes, caps (nozzles) **(5 minutes)**
- slide show of images for inspiration **(5 minutes)**
**based on availability of projector*
- Test spray – students will use various nozzles to get the feel of using aerosol spray paint to make art **(10 minutes)**
- Students will work on their masterpiece with guidance from the instructor **(remainder of the class)**

POP UP GRAFFITI ART CLASS

About the Instructor: Antar “Cole” Fierce began writing graffiti in 1983. In 1997 after graduating from Clark Atlanta University Antar retired from graffiti and entered the workforce as a training instructor in for a major airline. Unable to truly shake his passion for aerosol art, Antar began work with a youth development organization called the Right Track Program as a teaching artist. Currently, Antar has combined his 20+ years of instructor led training experience with skills as a graffiti artist and brings his passion for both into an instructional space for children and adults.
